

For at downloade *Modul 1: Introduktion til fusion* tilgå da FuseNets hjemmeside:

<https://fusenet.eu/for-educators/module-1-fusion-basics>

Ude i højresiden kan du vælge 'Danish/Dansk' for at downloade den danske version af Modul 1, se nedenfor.

The screenshot shows the FuseNet website interface. At the top, there is a navigation bar with links for EDUCATION, MATCHMAKING, NETWORK, ABOUT US, and LOG IN. The main heading is 'Module 1: Fusion Basics'. Below this, there is a description of the module's purpose and a list of contents: a student reader, lecture slides, a teacher's manual, and additional exercises. On the right side, there is a sidebar with a 'Files' section. This section is organized by language: English, German/Deutsch, Dutch/Nederlands, Danish/Dansk, and Italian/Italiano. Under the 'Danish/Dansk' section, four files are listed with their respective sizes: 'DK_Modul 1 - Ekstraopgaver.pdf (259.48 KB)', 'DK_Modul 1 - Lærervejledning.pdf (795.09 KB)', 'DK_Modul 1 - Slides.pdf (5.92 MB)', and 'DK_Modul 1 - Introduktion til fusion_0.pdf (7.62 MB)'. Below the file list, there are tags for 'FUSENET EDUCATIONAL MATERIAL', 'MODULE 1 FUSION BASICS', and 'SECONDARY SCHOOL'. A red arrow points from the text above to the 'Danish/Dansk' option, and a blue arrow points from the text below to the same option.

Dette åbner en dropdown-menu, hvor du kan downloade de fire dokumenter (hovedteksten, slides, ekstraopgaver og lærervejledning), der tilsammen udgør Modul 1.
